Course: BSB50120 - Diploma of Business (Operations)

Mode of Study: Classroom-based or Workplace-based
 Online Mixed

Type: Qualification Traineeship

Course start: Flexible start dates

Duration: 12 Months

GOVERNMENT FUNDING

The NSW state government, under its Smart and Skilled program will offer subsidies or funding in selected accredited national qualifications for eligible people to study VET courses in their desired career pathway. BSB50120 Diploma of Business (Operations) at Pacific College of Technology is an approved program for NSW Smart and Skilled funding.

You are eligible for government funded training if you ticked all the following:

- 15 years old or over
- No longer at school
- Living or working in NSW
- An Australian citizen, Australian permanent resident, Australian permanent humanitarian visa holder or New Zealand citizen

Eligibility for apprentices and trainees

NSW apprentices and some new-entrant trainees may be eligible for a government subsidy for the training that supports their apprenticeship or traineeship. If you have already completed a Certificate IV or higher-level qualification, this does not affect your eligibility.

Please contact Pacific College of Technology on 02 9649 7767 for further information on your eligibility.

COURSE INFORMATION

Course summary

This course is a nationally recognised qualification which will develop your abilities in applying solutions to a defined range of unpredictable business challenges. It will train you to analyse and evaluate

information from a variety of sources. You will be guided by experienced trainers who have contacts within industry, as well as multiple support networks for student support. When you successfully complete this course, you will have gained valuable preparation for office administrator and project assistant roles, and you will also have established a pathway to further business studies if you wish to continue your education.

Career Opportunities

Upon successful completion of all units in this course, students are awarded the BSB50120 Diploma of Business (Operations). Potential career opportunities relevant to this qualification include:

- Administration Manager
- General Office Manager

What will I learn?

This course will equip you with a solid grounding of information to begin or proceed in your business career. You will learn how to prepare and develop spreadsheets for a variety of applications. You will gain skills in identifying and sourcing information needs and how to collect, analyse and report information. As well as this, competencies in investigating current

practices in relation to resource usage are highlighted on the curriculum.

Assessments

A range of different assessment methods will be used such as:

- Simulated workplace activities/ scenarios/ role plays
- Exams and Online Quizzes
- Projects/Assignments
- Class Activities
- Practical/demonstration

Recognition of Prior Learning (RPL)

RPL is the acknowledgment of current skills and knowledge which you may have gained from a range of experiences including work, volunteering, study and general life experiences. It is achieved through the assessment of evidence you provide against a set of criteria in a qualification. If you believe you meet the eligibility for RPL or Credit Transfer, please apply to the College.
