Terms & Conditions

I (which expression includes the parent/guardian who has signed this contract) hereby apply to enrol in the course commencing as indicated on the Application for Admission form ("the Application") and agree that I will pay to Pacific College of Technology ("the College") all tuition fees and other charges due for my course as set out in the brochure attached to the Application. I agree that on acceptance of the Application by the College, the Application will become the Contract of Enrolment ("the Contract") and further, I agree to abide by the following terms and conditions of enrolment:

Any variation of the terms and conditions of the Contract must be in writing and be signed by an authorised officer of the College.

I agree that it is a condition of my enrolment that I attend all scheduled classes except where there is a legitimate reason for non-attendance that is acceptable to the College (for example, illness supported by a Doctor's Certificate).

I agree that I am required to use my best endeavours to meet the requirements of the College program selected and to abide by the rules and regulations of the College, including those for attendance. I understand that if I breach any of the College's rules or my behaviour is deemed unacceptable by the College, my enrolment may be cancelled and I may not be entitled to any refund of the tuition fees or other charges paid to the College under the Contract.

I agree that I may be required, and permission is hereby granted, to attend organised College excursions and activities as part of the course. The College is hereby authorised to obtain medical treatment for myself, should the College or a staff member acting on behalf of the College deem such action necessary. I agree to indemnify and hold harmless the College and its staff for any expense, loss, damage or liability of whatsoever nature or howsoever occasioned as a result of authorising and arranging such emergency medical treatment.

I understand that if, after commencing the course, I discontinue my program before completion, I may remain liable to pay the full tuition fee and any expenses, costs or disbursements incurred by the College in recovering any outstanding monies, including debt collection agency fees and solicitors' costs.

Cancellation & Refund Policy#

The following are the summary extracted from college tuition fee refund policies. The full detail of refund policy can be found at college website: www.pct.edu.au.

If a student is seeking a refund for enrolment in the principle (main) course of study, as applied for on their current Student Visa, then the student will not be eligible for a refund for any tuition fees paid for the first six (6) months of the principle course. Any additional tuition fees, paid beyond the first six (6) months, that are deemed refundable, will be payable back to the student minus any applicable deductions*.

If a student requests a refund from their course of study, more than Twenty Eight (28) days before the starting date of the students next period (term) of study, then PCT will refund the student's paid tuition fees for that term in full, minus any applicable deductions**.

If a student withdraws from a course of study, less than Twenty Eight (28) days before the starting date of the students next period (term) of study, then the student will forfeit 50% of their term tuition fees, for that period (term) of study. PCT will refund any remaining tuition fees paid for additional periods (terms) of study thereafter, minus any applicable deductions*.

No refund will be given to any student who withdraws from their course of study, after the commencement date of that current study period (term), for the current period of study. Any additional tuition fees that have been paid beyond the current study period (term), that are deemed refundable, will be payable back to the student minus any applicable deductions*.

If an Offshore student's application for a student visa is rejected prior to commencement of their enrolled course of study, then the student will be eligible, upon application to the PCT, for a full refund of the paid tuition fees subject to deduction of AUD\$200-\$250 "Non Refundable Application Fee" and AUD\$200 "Refund Administration fee".

The student must provide a certified copy of the official letter of visa application rejection by the Department of Home Affairs (DOHA) along with their application, in order for the refund application to be approved.

If a student holds a valid student visa at the time of enrolment with PCT, but after commencing their course, their current visa expires and a subsequent visa application is applied for and rejected, then the student will be eligible to apply for a refund for any tuition fees paid to PCT on a pro-rata basis (calculated on a weekly basis as per the PCT term calendar) minus any applicable deductions*.

The Student must provide a certified copy of the visa application rejection letter as issued by Department of Home Affairs (DOHA) along with their application in order for any refund to be approved.

If a student transfers to a second course within Pacific College of Technology, without completing the first course, then the student is not eligible for a refund of the first Tuition fees. The tuition fee paid for the current six-month period of the first course will be credited on a pro-rata basis towards the tuition fee of the second course. All other tuition fee paid toward the current six-month period of the first course will be credited in full towards the tuition fee of the second course. If the credited amount is greater than the total cost of the second amount, the difference will be refunded within twenty-eight days of commencement of the second course.

Student Grievance Policy

Students are expected to abide by the terms and conditions of enrolment and the published rules and code of conduct of the College. Disciplinary procedures will be applied in the event of a breach of these rules.

If a student has a dispute with a staff member or fellow student, student may refer the matter to the Director of the Studies, who will record the matter in writing.

The Director of Studies will review the matter, and the outcome will be given to the student in writing.

If the student is dissatisfied with the decision or in the absence of a Director of Studies, the student may refer the matter to the Principal for determination. The Principal will review the matter and the decision made by the Director of Studies, and will provide his decision in writing to the student.

If the student is dissatisfied with the decision by the Principal, he/she may seek independent external arbitration via the NSW ombudsman (see www.ombo.nsw.gov.au).

This Agreement does not remove the right to take further action under Australia's consumer protection laws.

Changes to Enrolment

After course commencement, the College reserves the right to charge an Administration Fee of AU \$200 each time course or accommodation details are changed after a place has been confirmed. This fee will not apply to upgraded or extended courses.

Services

The College reserves the right to change the particulars of the services, including changes to prices, courses, facilities and dates of programs where circumstances beyond the College's control necessitate such changes.

Liability

Pacific College of Technology and its staff and representatives will not be liable for loss, damage or injury to persons or property howsoever caused, except where liability is expressly imposed by law. The College will not be liable in the event that any service contracted to be supplied by the College becomes impossible to supply for any reason or any cause outside the control of the College.
